

Parent Questionnaire

1. Has your child ever had a psycho-educational evaluation before?

2. If so when and do you have copies I can review?

3. Is your child on any type of medication for anxiety, depression, or ADHD?

4. If yes, please list medications.

5. What do you see as your child's biggest obstacles regarding school performance?

6. Are there any medical problems or concerns that I should be aware of?

7. What kind of academic assistance are you looking for your child?

8. Do you have any questions that you would like to ask me?
